

Request Extra Time to Complete APPRENTICESHIP

DLT Apprenticeship Office policies prevent employers from keeping individuals as perpetual apprentices. For this reason apprenticeship registration has an expiration date. Any apprentice who has continued with their related instruction, but needs more time to get the required number of work hours will be granted up to an additional year by returning this completed form. More time may also be granted for extenuating circumstances with a recommendation from the State Apprenticeship Council.

A. BASIC COMPLETION INFORMATION			
First Name	Middle Name	Last name	Suffix
Occupation		Instruction Provider	
On-the-Job Hours Completed	Current Hourly Wage	Instruction Hours Completed	Is all required Instruction Complete? Yes (Skip section B below) No
